Appl. No. 10/782,508

JUL 09 2008

Remarks

This is in response to the Final Office Action dated April 29, 2008.

The Office Action rejected claims 1, 3-6, 8-13, and 15-19 under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent Publication No. 2004/0250124 (Chesla) and also under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent Publication No. 2003/0172145 (Nguyen). The Office Action additionally rejected claims 2 and 14 under 35 U.S.C. § 103(a) as being unpatentable over Chesla in view of "Official Notice", and also over Nguyen in view of "Official Notice".

The Office Action objected to claim 7 as being dependent upon a rejected base claim, but indicated that claim 7 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In order to expedite prosecution, applicants have amended claim 7 to rewrite claim 7 in independent form. Applicants have also amended claims 8-9 and 11 to depend from claim 7. Since claims 8-9 and 11 depend from allowable claim 7, these claims are also allowable.

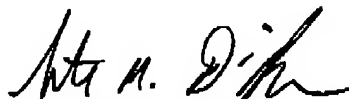

Applicants have canceled claims 1-6, 10, and 12-19. Applicants reserve the right to pursue the canceled claims in one or more continuation applications.

Since this amendment amends objected to claim 7 to rewrite claim 7 in independent form in order to comply with the requirement set forth in the Office Action, and all remaining claims that do not depend from allowable claim 7 are canceled, entry of this amendment is hereby requested pursuant to 37 CFR 1.116(b)(1).

Appl. No. 10/782,508

Since allowable claims 7-9 and 11 are the only remaining claims pending in this application, this application is in condition of allowance.

Respectfully submitted,
